Dear Tompkins High School Supporter,

Since Tompkins High School opened its doors in fall of 2013 the orchestra program has been committed to musical excellence while building a reputation of service within the community. Our orchestras have been ranked among the top performing orchestras in Texas. Most recently, the Tompkins Symphony was named the 2025 TMEA Honor Orchestra for the state of Texas. This is due in part to our strong supporters within the Katy and Houston communities.

To continue our program's success we ask for your support by becoming a member of the Tompkins Orchestras Donor Circle. With your help, we will continue to provide our students with an unparalleled musical education.

There are a variety of membership levels that make sponsorship available to everyone. It's also a great way for your business to show the community that you care. For inclusion in 2025-2026 orchestra publications, please submit your contribution by September 17, 2025.

Thank you for becoming a supporter of music education and the students within the Tompkins community. For questions or more info please contact Tompkins Orchestra Friends, tompkinsorchestras@gmail.com
